Well,
I'll spend my once-a-month complaint pass now
I'm constantly depressive, thoughts of suicide has been recurrent
OK.
KLANG

Stab me.
I guess
wut
No way!
I wouldn't—

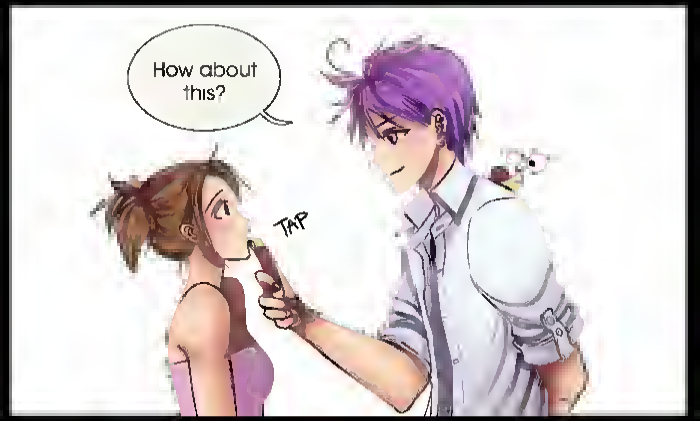
Oh,
thank you,
Buddha,
Jeebus,
Allah,
Moses,
Shivas and
all things holy
Good.
I wasn't
gonna let
you,
anyways

(Guns are a more effective tool ..
but I digress)



to get that
refund if
I have to.

I'll hold you hostage in my basement
among the other broken souls
and keep you on a 10 years suicide watch.

So for the duration of that 10 years,
live a life worth suffering for.

You can decide again in 10 years.

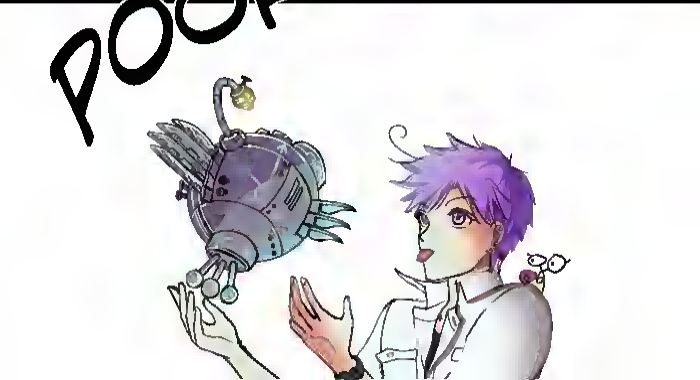
A loan to help you feel not so alone
A loan, alone. Get it? No? Laugh, I'm funny,
dammit.

POOF



Think of it this way, when you do choose to kill yourself

You deprive yourself of loved ones, favorite places, favorite things

In a way, you also are killing them out of your life

If the things you'd suffer living for has yet to be found, then suicide severs all chances of finding precisely that

Flips hair

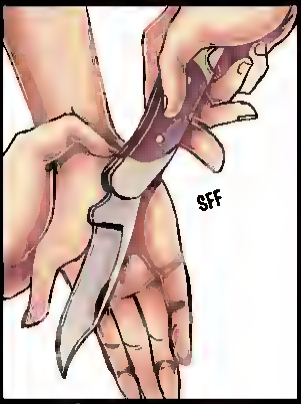
By cool things to live for

I meant Snailogy and Nightmare Factory

and yes, being delusional is something I'm also good at

Your body is yours to do as

A Loan



Knock yourself out.

Whoa, wait. you're not gonna talk me out of it. Aidan?

Oh, do you want me to?

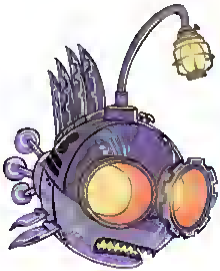
Yes, please?

Oh, crap. Awks Um...ok.

Consider that lip high-five a loan.

I'll ask for a full refund in 10 years.

Alive or dead.



I'll unearth your grave, defile your rotten corpse
